

Advice on caring for pets in relation to COVID-19.

Please take note: the guidance is updated regularly so please do check back for any changes.

Pet owners and anyone handling pets; make sure you are following good hygiene practices. This is good advice at any time and not specific to the Coronavirus situation.

- **Thoroughly wash your hands with soap and water after interacting with your pets.**
- **Avoid being kissed or licked by, or sharing food with your dog or cat.**

It is important to continue to provide good care for our dogs and cats during this time. Please do not abandon them.
