

Job Vacancy

The Lilongwe Society for the Protection and Care of Animals (LSPCA) is looking to hire a veterinary nurse to work at the LSPCA Veterinary Hospital in Lilongwe-Kanengo.

The role: The Vet nurse will be involved in hands-on nursing care of a range of small animals, and occasionally large animals providing both emergency and routine healthcare. The vet nurse will work alongside our veterinary surgeons and support staff to provide the best possible care for animals, while educating pet owners about how they can manage and prevent further injuries and/or sickness.

Applicant requirements: The applicant must be a holder of a Diploma in Animal Health and Livestock Production obtained from an accredited institution.

Mode of application: Send your CV to tino.razemba@lilongwespc.org

Deadline for submissions is 14th August 2020 at 17:00Hrs.
